

Time for Dinner 4 Eight

This program has been enjoyed by our parishioners for many years.

What is it?

One evening a month for four months, 4 couples are matched together for dinner. This year it will be February through May. A host couple is designated and works with all to find an available date and time. The host provides the entrée and the others are assigned a side dish, a salad or a dessert. Members of the group are not required to host if they do not wish to.

What it is not!

This is not a gourmet dine around or cooking contest. Rather it is the opportunity for great people to get together for an evening of good food and interesting conversation.
